OFFICE IN A BOX – *Secure IT, Simplified*

Your Complete Managed IT Solution for
Small Businesses in Canada

The Challenge for Small Business

- Business priorities vs. IT complexity
- Rising cyber threats
- Growing data protection needs
- Increasing productivity demands
- SMBs lack time, budget, and expertise

That's why we created **Office in a Box**

Enterprise IT For The SMB – What's Included?

- ✓ **Next-Gen Networking** – Reliable wired & wireless connectivity
- ✓ **Advanced Security** – Extended Detection & Response endpoint protection
- ✓ **Microsoft 365** – Business Standard or Premium
- ✓ **O365 Backup** – Sentia Data Cloud
- ✓ **Managed Services** – 3-year, 24/7 Remote Monitoring, Patching & Reporting
- ✓ **Professional Services** – Configuration, installation & setup

What's in it for your business?

- 🔒 Stronger Security, Less Risk
- ⚡ Productivity Without Complexity
- 💡 Predictable Costs
- 🔧 Peace of Mind Management

Why Choose Office in a Box?

- ✓ Designed for Canadian SMBs
- ✓ All-in-one: Networking + Security + Productivity + Backup
- ✓ Delivered & supported by trusted IT experts
- ✓ Meets modern compliance & security standards

With plans starting as low as \$1,199,00 per month.
